Daily COVID-19 self-assessment

All students and staff are required to complete the daily COVID-19 self-assessment prior to entering SCDSB schools and buildings, using the provincial self-assessment tool. Students or staff with symptoms must stay home from school. To access the COVID-19 self-assessment tool, please visit <https://covid-19.ontario.ca/school-screening/>.

Updates to the School Screening Tool for the 2021-22 school year - International travel

Recently, the [COVID-19 school and child care screening tool](#) was updated to reflect the return to school requirements for students who are returning from international travel. Individuals who are unvaccinated and returning from international travel may not attend school or child care for 14 days upon their return. For further clarity, while unvaccinated children and those under the age of 12 are exempt from federal quarantine if they travelled with a fully vaccinated companion, they may not attend school or childcare for 14 days upon their return. Individuals with all other quarantine exemptions (e.g. travelling for cross-border custody arrangements, travelling for medical treatment) may continue to attend school or childcare.

High school information events for Grade 8 students

Is your child starting Grade 9 next year? High school information events will happen virtually this winter. Student leaders and staff at the school will give an overview of what's new and what to expect. Please visit your school's website for more information.

Interested in learning more about IEPs and school-based assessments? Join us for a virtual special education outreach session

In 2022, the Simcoe County District School Board (SCDSB) is hosting virtual special education outreach sessions to assist parents/guardians in learning more about programs, supports and ways that we work together to support students with special education needs.

On Jan. 13, join us for the first session, 'IEPs and school-based assessments – information for parents/guardians.' This virtual presentation will run from 6:30 to 7:30 p.m. and will include opportunities for participants to share their questions regarding IEPs and school-based assessments.

For more information and to register visit: https://www.scdsb.on.ca/elementary/special_education.

Join us! A learning series for parents/guardians

Mental health and well-being continues to be a key strategic priority within the SCDSB. We are pleased to announce a new three-year partnership with Pine River Institute (PRI). The Centre for Family Initiatives at Pine River Institute (CFI@PRI) will provide several multi-part learning series focused on student mental health and well-being to SCDSB families, staff and within the SCDSB's broader school communities.

There are three upcoming webinars in the learning series specifically planned for parents and guardians during this school year.

- Jan. 25, 2022 Understanding and Managing Screen Time
- March 29, 2022 Connection and Empathy in Response to Behaviour
- May 19, 2022 Understanding Addiction and Addictive Behaviours

We hope you save these dates in your calendar and join us for these learning opportunities. For more information and to register, please visit the mental health and well-being page on the SCDSB website: <https://bit.ly/3jGaC74>.

Pine River Institute is a live-in treatment centre and outdoor leadership experience for youth aged 13 to 19 struggling with addictive behaviours and often other mental health issues. Combining therapy with a fully-accredited education program, PRI reinforces the healthy life skills required for a successful future. CFI@PRI extends PRI's knowledge, experience and evidence-informed treatment approach to families and care providers in the community to support youth mental wellness and prevent the need for more intensive interventions. Learn more about PRI by visiting their website at www.pineriverinstitute.com.

Math @Home parent series

Thank you to everyone who completed the parent survey. The winners of the prizes will be notified in January. The SCDSB math department is offering three evening virtual sessions for caregivers of SCDSB students. These sessions will focus on practical and fun ways to support students with their mathematics learning and engagement at home. Participants will receive a math pack of resources to use at home, and must pre-register for each of the sessions by visiting this link: <https://bit.ly/SCDSBMathAtHomeRegistration>.

Having fun with math facts @Home

Tuesday, Feb. 17, 2022

7 to 8 p.m.

This session will explore practical, intentional, and fun ways to practice math facts at home. Participants will leave with ideas, games, and activities to support their child in becoming fluent with their math facts.

Making math connections @Home

Thursday, March 24, 2022

7 to 8 p.m.

This session will explore where we find numbers, patterns, measures, and shapes in our daily lives.

Participants will learn about practical ways to help their child notice and wonder about the math in their world.

Problem solving @Home

Wednesday, April 26, 2022

7 to 8 p.m.

This session will explore how to encourage children to be active thinkers and problem solvers, both in math and around the house. Participants will learn about how solving problems at home can help their children solve problems in math class.

Participants must pre-register for the sessions they wish to attend. Registered participants will receive a math @Home pack of hands-on resources that will be sent to the school indicated on the registration form.

Inclement weather and bus cancellation information reminder

All information regarding cancelled buses in Simcoe County is posted on the Simcoe County Student Transportation Consortium (SCSTC)'s bus information website at www.simcoecountyschoolbus.ca. Our school is in the **central** zone. When buses are cancelled, schools remain open for student learning, unless otherwise noted. School staff are expected to plan for such emergencies in order to transition students who are unable to attend due to inclement weather, to their online platforms (Google Classroom and/or SCDSBhub [Brightspace by D2L]) and continue with academic programming. It is always a family decision whether or not it is safe for their child(ren) to leave for school under severe weather conditions.

The Consortium and bus operators try to make the decision to cancel school buses before 6 a.m. and make every effort to post announcements before 7 a.m. Inclement weather cancellations are effective for the whole day and buses cancelled in the morning will not run at the end of the day. You can follow the Consortium on Twitter [@SCSTC_SchoolBus](https://twitter.com/SCSTC_SchoolBus) for bus cancellations and other information. You can also subscribe to receive bus delay notifications here: <https://scstc.ca/Subscriptions/Login.aspx>.
