

## Fundraising Resource Guide

### **Overview:**

Fundraising encompasses a broad range of activities. The Simcoe County District School Board (SCDSB) defines fundraising as “any solicitation for the purpose of obtaining funds that is initiated and approved by the principal and endorsed by the school council and/or school fundraising organization operating in the name of the school and includes activities carried out by students both on and off school property”. Reference Policy 4320 Fundraising and Administrative Procedures Memorandum A2600 School Generated Funds for details.

The most traditional form of fundraising is a variety of products that offer a financial return to the school community in return for sales. Fundraising activities are successful when the product or service has real value to customers, is innovative and where the return on your investment of time and effort yields a good result.

This guidebook was developed to assist schools, school councils, parents, or students to:

1. provide school communities information and ideas regarding fundraising opportunities,
2. provide details on policies that apply to school fundraising activities, and
3. promote ‘healthy fundraising’.

### **Policy and Legislation:**

School communities should be aware of the following federal, provincial, municipal and school board policies that relate to fundraising activities:

- Ontario’s Healthy Food for Healthy Schools Act, 2008. Visit [www.ontario.ca](http://www.ontario.ca) for more details.
- SCDSB Policy 4260 School Food and Beverage and SCDSB APM A7675 School Food and Beverage outlines expectations for schools regarding fundraising including the requirement of one physical activity fundraising event, the use of non-food items and promoting healthy food related events for fundraisers.
- Lottery like fundraisers (raffles, bingos etc.) must be in compliance with board policies as well as municipal, provincial and federal laws and regulations.

Fundraising application follows, along with listing for available fundraising

opportunities. *Note, vendor list last updated December 4, 2023*

## APPLICATION FOR FUNDRAISING OPPORTUNITIES

To be completed by vendors interested in being part of Simcoe County District School Board's School Fundraising Programs
